

Melanie Martinez - A Million Men

Tom: C

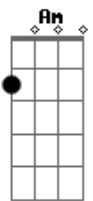

^{Am} Miss Maggie was way too young to understand,
^G why she got thrown into someone else's hands,
^F why she woke up to strange men,
^{Am} they tore her to pieces
^C and she couldn't comprehend,
^G why she was locked up in a basement,
^{Am} filled with men.
^F Should've gone to school,
^C instead she did them.
^{Am} Don't touch me,
^F I'm fragile,
^C I'm bitter in my heart.
^{Am} Mama sold me,
^F for candy,
^C and I was ruined from the start.
^{Am} Why'd you have to sell me to those mean old men?
^C They cut me up in places
^G I don't even understand.
^{Am} It's normalcy to me but,
^F how will my friends understand?
^C I'm five years old,
^G sleepin' with a million men
^{Am} All grown up and her body has decayed,
^G all those promiscuous games she had to play,
^{Am} she skipped the jungle, jungle-gym phase.
^{Am} She's tryin' to look at things in a bright way,
^G sees the light peekin' through the end of the hallway,
^F No, She's tryin' tryin' tryin' to escape
^{Am} I'm runnin'
^F full force dear
^C but it's hard when you're bones.
^{Am} I'm weak kneed but I'm flyin'
^C out of this hell hole.
^{Am}

Why'd you have to sell me to those mean old men?
^C They cut me up in places
^G I don't even understand.
^{Am} It's normalcy to me but
^F how will my friends understand?
^C I'm ten years old,
^G runnin' from a million men
^A A million men
^{Am} Finally, the light is comin' close,
^F no turning back,
^C run full force.
^{Am} Angels swoop down and grab me,
^F and now I'm safe away,
^C from the million men who raised me.
^{Am} Why'd you have to sell me to those mean old men?
^C They cut me up in places
^G I don't even understand.
^{Am} It's normalcy to me but,
^F how will my boyfriend understand?
^C I'm seventeen,
^G with a history,
^{Am} of a million men
^F Men
^C A million men
^G Men
 (Am F C G)x2
^{Am} A million men,
^F A million men,
^C A million,
^G A million,
^G men.
^{Am} A million men,
^F A million men,
^C A million,
^G A million,
^G men.
^{Am} A million men...
