

# Melanie Martinez - Alphabet Boy

Tom: C

Always aiming paper airplanes at me when you're around  
 You build me up like building blocks just so you can bring me down  
 You can crush my candy cane but you'll never catch me cry  
 If you dangle that diploma and I deck you, don't be surprised  
 I know my ABC's, yet you keep teaching me  
 I say, fuck your degree, alphabet boy  
 You think you're smarter than me with all your bad poetry  
 Fuck all your ABC's, alphabet boy

I'm not a little kid now  
 Watch me get big now  
 Spell my name on the fridge now  
 With all your alphabet toys  
 You won the spelling bee now  
 But are you smarter than me now?  
 You're the prince of the playground  
 Little alphabet boy

Apples aren't an always appropriate apologies  
 Butterscotch and bubblegum drops are bittersweet to me  
 You call me a child while you keep counting all your coins  
 But you're not my daddy and I'm not your dolly  
 And your dictionary's destroyed

I know my ABC's, yet you keep teaching me  
 I say, fuck your degree, alphabet boy  
 You think you're smarter than me with all your bad poetry  
 Fuck all your ABC's, alphabet boy

I'm not a little kid now  
 Watch me get big now  
 Spell my name on the fridge now  
 With all your alphabet toys  
 You won the spelling bee now  
 But are you smarter than me now?  
 You're the prince of the playground  
 Little alphabet boy
