

Melanie Martinez - Alphabet Boy

Tom: C

Always aiming paper airplanes at me when you're around
 You build me up like building blocks just so you can bring me down
 You can crush my candy cane but you'll never catch me cry
 If you dangle that diploma and I deck you, don't be surprised
 I know my ABC's, yet you keep teaching me
 I say, fuck your degree, alphabet boy
 You think you're smarter than me with all your bad poetry
 Fuck all your ABC's, alphabet boy

I'm not a little kid now
 Watch me get big now
 Spell my name on the fridge now
 With all your alphabet toys
 You won the spelling bee now
 But are you smarter than me now?
 You're the prince of the playground
 Little alphabet boy

Apples aren't an always appropriate apologies
 Bitterscotch and bubblegum drops are bittersweet to me
 You call me a child while you keep counting all your coins
 But you're not my daddy and I'm not your dolly
 And your dictionary's destroyed

I know my ABC's, yet you keep teaching me
 I say, fuck your degree, alphabet boy
 You think you're smarter than me with all your bad poetry
 Fuck all your ABC's, alphabet boy

I'm not a little kid now
 Watch me get big now
 Spell my name on the fridge now
 With all your alphabet toys
 You won the spelling bee now
 But are you smarter than me now?
 You're the prince of the playground
 Little alphabet boy
