I'll smile as you fall to your feet

With teeth that are round and dull

And they yell while they're chasing while I'm steady pacing  
D A Bm A Bm  
My syllables hit the floor

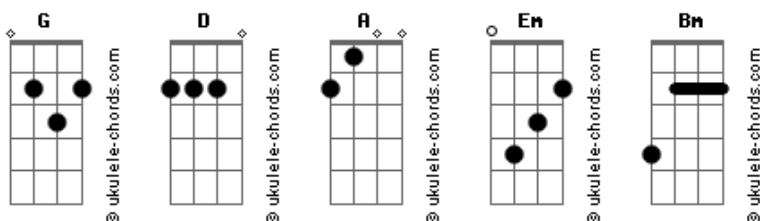

[Refrão]

Em A  
How stupid, selfish baby  
D A Bm A Bm  
Don't you battle with my larynx tonight

But I'll be silent 'til you cross the line

The line, the line
