

Melanie Martinez - Birthing Addicts

Tom: C

Dm **E** **Am**
 Peoples begin to observe
Dm **E** **Dm**
 Watching the waste on this earth
Dm **E** **Am**
 Mamas don't love their kids like they used to
Dm **E** **Am**
 Letting them smoke their herbs

Dm **E** **Am**
 Nails bitten down to the nub
Dm **E** **Am**
 Palms out as far as they run
Dm **E** **Am**
 Soup never reaches its boil
Dm **E** **Am**
 Dinner ain't the only thing they spoiled

Dm **E** **Am**
 Let the maggots and worms infest your brain
Dm **E** **Am**
 Got your memory of all timers begins
Dm **E** **Am**
 Let that hell of a drug emerge in your veins
Dm **E** **Am**
 And I, will claim that I love you
Dm **E** **Am**
 And I am the one who birthed you

Dm **E** **Am**
 Skin tearin' down to the bone
Dm **E** **Am**
 Freckles fall off as they're told
Dm **E** **Am**
 You realize soon your identity changes
Dm **E** **Am**
 No longer the person you were
Dm **E** **Am**
 No longer the person that you adore

Dm **E** **Am**
 Let the maggots and worms infest your brain
Dm **E** **Am**
 Got your memory of all timers begins

Dm **E** **Am**
 Let that hell of a drug emerge in your veins
Dm **E** **Am**
 And I, will claim that I love you
Dm **E** **Am**
 And I am the one who birthed you
 (**Am**) 2X

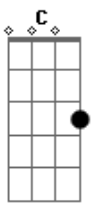

G
 Thank you mama
Am
 For all you've done
G
 Gave me cancer
Am
 And thick black lungs
G
 Left me rotting
Am
 On the street
G
 Rather shoot up
Am **E**
 Than have food to eat

Dm **E** **Am**
 Let the maggots and worms infest your brain
Dm **E** **Am**
 Got your memory of all timers begins
Dm **E** **Am**
 Let that hell of a drug emerge in your veins
Dm **E** **Am**
 And I, will claim that I love you
Dm **E** **Am**
 And I am the one who birthed you
Dm **E** **Am**
 And I am the one who birthed you

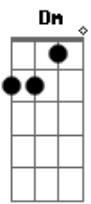

Dm **E** **Am**
 Do, do, do do do, do, do [2x]

Dm **E** **Am**
 Mamas don't love their kids like they used to
Dm **E** **Am**
 Letting them smoke their herbs
