

# Melanie Martinez - Birthing Addicts

Tom: C

**Dm** **E** **Am**  
 Peoples begin to observe  
**Dm** **E** **Dm**  
 Watching the waste on this earth  
**Dm** **E** **Am**  
 Mamas don't love their kids like they used to  
**Dm** **E** **Am**  
 Letting them smoke their herbs

**Dm** **E** **Am**  
 Nails bitten down to the nub  
**Dm** **E** **Am**  
 Palms out as far as they run  
**Dm** **E** **Am**  
 Soup never reaches its boil  
**Dm** **E** **Am**  
 Dinner ain't the only thing they spoiled

**Dm** **E** **Am**  
 Let the maggots and worms infest your brain  
**Dm** **E** **Am**  
 Got your memory of all timers begins  
**Dm** **E** **Am**  
 Let that hell of a drug emerge in your veins  
**Dm** **E** **Am**  
 And I, will claim that I love you  
**Dm** **E** **Am**  
 And I am the one who birthed you

**Dm** **E** **Am**  
 Skin tearin' down to the bone  
**Dm** **E** **Am**  
 Freckles fall off as they're told  
**Dm** **E** **Am**  
 You realize soon your identity changes  
**Dm** **E** **Am**  
 No longer the person you were  
**Dm** **E** **Am**  
 No longer the person that you adore

**Dm** **E** **Am**  
 Let the maggots and worms infest your brain  
**Dm** **E** **Am**  
 Got your memory of all timers begins

**Dm** **E** **Am**  
 Let that hell of a drug emerge in your veins  
**Dm** **E** **Am**  
 And I, will claim that I love you  
**Dm** **E** **Am**  
 And I am the one who birthed you

( **Am** ) 2X

**G**  
 Thank you mama  
**Am**  
 For all you've done  
**G**  
 Gave me cancer  
**Am**  
 And thick black lungs  
**G**  
 Left me rotting  
**Am**  
 On the street  
**G**  
 Rather shoot up  
**Am** **E**  
 Than have food to eat

**Dm** **E** **Am**  
 Let the maggots and worms infest your brain  
**Dm** **E** **Am**  
 Got your memory of all timers begins  
**Dm** **E** **Am**  
 Let that hell of a drug emerge in your veins  
**Dm** **E** **Am**  
 And I, will claim that I love you  
**Dm** **E** **Am**  
 And I am the one who birthed you  
**Dm** **E** **Am**  
 And I am the one who birthed you

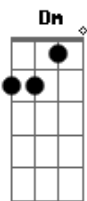

**Dm** **E** **Am**  
 Do, do, do do do, do, do [2x]

**Dm** **E** **Am**  
 Mamas don't love their kids like they used to  
**Dm** **E** **Am**  
 Letting them smoke their herbs
