

Melanie Martinez - Cake

Tom: G

Your skin is warm like an oven
 Your kiss is sugary sweet
 Your fingers feel like cotton
 When you put your arms around me
 I feel like I'm just missing
 Something whenever you leave
 We've got all the ingredients
 Except you loving me

Unrespectfully
 I'm not a piece of cake
 For you to just discard
 While you walk away
 With the frosting of my heart
 So I take back
 What's mine, you'll miss
 The slice of heaven that I gave to you last night

You smell just like vanilla
 You taste like buttercream
 You're filling up my senses
 With empty calories
 I feel like I'm just missing
 Something whenever you leave
 We've got all the ingredients
 Except you needing me

So respectfully

I'm not a piece of cake
 For you to just discard
 While you walk away
 With the frosting of my heart
 So I take back
 What's mine, you'll miss
 The slice of heaven that I gave to you last night

If I'm just a piece of cake
 I'm just a piece of cake
 Then you're just a piece of meat
 You're just a piece of meat to me
 If I'm just a piece of cake
 I'm just a piece of cake
 Then you're just a piece of meat
 You're just a piece of meat to me

I'm not a piece of cake
 For you to just discard
 While you walk away
 With the frosting of my heart
 So I take back
 What's mine, you'll miss
 The slice of heaven that I gave to you last night

The slice of heaven that I gave
 The slice of heaven that I gave to you
 The slice of heaven that I gave to you last night
