Tom: G  
Intro: Em C G (4x)

Em C G Em C G  
Round and round like a horse on a carousel, we go  
Em C G Em C G  
Will I catch up to love, I could never tell, I know  
Em C G Em C G  
Chasing after you is like a fairytale, but I  
Em C G Em C  
Feel like I'm glued on tight to this carousel

Interlude: Em C G (4x)

Em C G Em C G Em  
Come, come one, come all, you must be this tall  
C G Em C G  
To ride this ride at the carnival  
Em C G Em C G Em  
Oh, come take my hand, and run through playland  
C G Em C G  
So high, too high at the carnival

Em C G Em C G Em C G  
And it's all fun and games, 'til somebody falls in love  
Em C  
But you've already bought a ticket, and there's no turning  
back now

This horse is too slow, we're always this close

C G Em C G  
Almost, almost, we're a freakshow  
Em C G Em C G Em  
Right, right when I'm near, it's like you disappear  
C G Em C G Em  
Where'd you go, is that Houdini or a freakshow  
C G Em C G Em C G  
And it's all fun and games, 'til somebody falls in love  
Em C  
But you've already bought a ticket, and there's no turning  
back now

Why did you steal my cotton candy heart  
Em D C  
You threw it in this damn coin slot  
Em D C  
And now I'm stuck, I'm stuck  
Em D C  
Riding, riding, riding
