[Primeira Parte]

It was the middle of class and the teacher wasn't lookin'
Kelly had a fat ass and trouble was cookin'
She had a boy wrapped around her finger tight
I fell in love with him, but he wasn't in my light

[Segunda Parte]

The teacher gave me notes to go out and give Kelly
She was kissin' Brandon, I got jelly
I wanted to be in her shoes for one day
I just waited 'til recess to make her pay
