Tom: E

(com acordes na forma de C )

Capostrate na 4ª casa

Am C  
Drown me in my daily cup of tea  
F E  
Tell the porcupines to quit stabbing me  
Am C  
They make me fall, but I will stand  
F E  
'Cause all of them are jerks with their cups in their hands  
Am C  
Now they want a whisper, a whisper from me  
F E  
'Cause all of them have watched me on their big screen TV's  
Am C  
But what about little old, little old me?  
F E  
The one who got bullied because of her teeth

Am C  
I hope you all are watching my middle finger rise  
F E  
To the bullies in the schoolyard, I know I'm on your mind  
Am C  
Now you say you love me, but what about before?  
F E  
When I was just the silly little girl next door  
Am C  
Oh oh  
F E  
Ooohooh

Am C  
Ladies, oh ladies, why are you so mad?  
F E  
Is it 'cause I'm classy, and you're a trash bag?  
Am C  
Your teasing and laughing resonates through my heart  
F E  
And now you're calling me 'cause you want a fresh start

Am C  
Now look at you boys, you can't believe your eyes  
F E  
You told me I was ugly and I took you by surprise  
Am C  
You should've been nicer, 'cause look where I'm at  
F E  
While you copy Mac Miller wearing snap-back hats  
Am C  
I hope you all are watching my middle finger rise  
F E  
To the bullies in the schoolyard, I know I'm on your mind  
Am C  
Now you say you love me, but what about before?  
F E  
When I was just the silly little girl next door  
Am C  
Oh oh  
F E  
Ooohooh

Am C F  
E Why must you be so mean, talking trash about me?  
Am C F  
E All I wanted was a friend to laugh and cry and spend all of  
F E  
eternity  
Or even just a week  
( Am C F E )

Am C  
I hope you all are watching my middle finger rise  
F E  
To the bullies in the schoolyard, I know I'm on your mind  
Am C  
Now you say you love me, but what about before?  
F E  
When I was just the silly little girl next door
