[Primeira Parte]

They're carvin' my name

In the grave again

The flowers are fresh

And their faces wet

My body has died

But I'm still alive

Look over your shoulder

I'm back from the dead

Lightin' all your candles

To draw me in

Sayin' all the same things

I'm gone this time

Your words mean nothin'

So take 'em back

And meet me here across the plane

The other side, I'm not far

[Pré-Refrão]

When you aren't around

I sink into the ground

I try to pretend I'm closer to you

Never understand it

You're always on my mind

I cannot help it

I don't wanna be carryin'

The weight on my shoulders

Death has come to me

Kissed me on the cheek

Gave me closure, immortal by design

I'll be meetin' you

Here every time

[Refrão]

Back from the dead

Back from the dead

I'm back from the dead

Back from the dead

I'm back from the dead

Back from the dead

I'm back from the dead

Back from the dead

(I'm back)

[Segunda Parte]

They're sayin' my name

In their prayers again

I flicker the lights

So they understand

I won't say goodbye

I'm right by your side

We're screamin' and pleadin'

This separation ends

Doing all your witchcraft

To pull me in

Burnin' all your sage to

Connect our line

I show my presence

You run away in fear of ghosts

I try to talk

The barriers are too strong
