Intro: Am C Am Em (2x)

Hey girl, open the walls, play with your dolls

We'll be a perfect family.

When you walk away, is when we really play

You don't hear me when I say,

"Mom, please wake up.

Dad's with a slut, and your son is smoking cannabis."

No one ever listens, this wallpaper glistens

Don't let them see what goes down in the kitchen.

Places, places, get in your places

Throw on your dress and put on your doll faces.

Everyone thinks that we're perfect

Please don't let them look through the curtains.

Picture, picture, smile for the picture

Pose with your brother, won't you be a good sister?

Everyone thinks that we're perfect

Please don't let them look through the curtains.

Dollhouse

I see things that nobody else sees.

(Dollhouse

I see things that nobody else sees)

Hey girl, look at my mom, she's got it going on

Ha, you're blinded by her jewelry.

When you turn your back she pulls out a flask

And forgets his infidelity.

Uh oh, she's coming to the attic, plastic

Go back to being plastic.

No one ever listens, this wallpaper glistens
One day they'll see what goes down in the kitchen.

Places, places, get in your places
Throw on your dress and put on your doll faces.

Everyone thinks that we're perfect
Please don't let them look through the curtains.
