Intro: Bm Em D Gbm7

Bm Em D
I've never fit into any category, always
Gbm7
Deemed an outcast
Bm Em
Since I was in Sunday school and all the
D Gbm7
Cool kids said I was weird
Bm
It's exactly the same, they say
Em D
Why do you dress that way? Why do you act
That way?
Gbm7
Why don't you dress like me?
Bm
So is that what you really wanna say to me?
Em
You playin' games with me
D
Tellin' you're for my kind, still you
Abandon me
Gbm7
Calling me words I'm not paintin' a picture that's false
Bm Em
You must not know my heart, but I know it isn't your fault
D
You live in a world and you clutch, you
Gbm7
Don't get out very much
Bm Em
Livin' in the fake world, full of facades
D
And chaotic behavior
Gbm7
You pull the lever for fun, yell fire, then
Gb
You just run
Bm Em
Fire drill, what would happen if a nuke just hit
D
Would you say bye to your family? Would you
Gbm7
Post about it?
Bm Em
Fire drill, if it all went up in flames one day
D Gbm7
Would you give your mom a hug before your house burned away?
Bm Em
It kills, I wish the best for you
D Gbm7
And you think I ignore you too, but
Bm Em
Really, I'm tryna live my own life
D Gbm7
Be present more, and so should you, it's alright to
Bm Em
Cryin' inside
D Gbm7
'Cause nothin' I ever say comes alright
Bm Em
We're on the same side
D
If I'm honest with you, you just run and
Gbm7
Hide
Bm Em
I'm bad at public speaking
D Gbm7
But I'm speaking now so hear me out (shut up)
Bm Em D
I personally believe that everyone is fully
Gbm7

Capable

Bm
Of more than what they're doing, all of the
Em
Bullying

D
All of the screwing around with people they
Gbm7
Don't even really know, oh (Bla,bla,bla,bla)
Bm Em
Eatin' a hate soufflé, and an angry bit of sorbet
D
All 'cause you were bored one day
Gb7
Losing your wits and your grace
