

# Melanie Martinez - Light Shower

tom:

Intro: F E C Am D  
F E F

You are the light I've been searchin' for forever  
Feels like, man, I've really never felt the rain  
Buried in the desert, didn't think I'd push through the dirt  
You just cleansed me like a waterfall, you came

I'm screamin' like a kettle on a stove  
You cranked the heat up, I was cold  
My past grew mold around my heart  
And all my anger, sadness, regret disappeared, it's madness  
I'm not used to all this water love, it's true  
But you made me want to  
Plan out my last days on Earth eating you  
Ooh, ooh, ooh

The tips of your teeth fit perfect in me  
You're a shower of light I'd devour  
Any day of the week  
Baby, cleanse me

I was surprised to see heaven in your eyes  
I never once was treated right, you're what I'm missin'  
In my life  
As bright as the Sun, give me your vitamin D

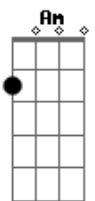

Let's run into another dimension  
You make me feel like I'm on drugs  
I'm screamin' like a kettle on a stove  
You cranked the heat up, I was cold  
My past grew mold around my heart  
And all my anger, sadness, regret disappeared, it's madness  
I'm not used to all this water love, it's true  
But you made me want to  
Plan out my last days on Earth eating you  
Ooh, ooh, ooh

The tips of your teeth fit perfect in me  
You're a shower of light I'd devour  
Any day of the week  
Baby, cleanse me

But you made me want to  
Plan out my last days on Earth eating you

Baby, cleanse me
