

# Melanie Martinez - Mrs Potato Head

Tom: E

If you weren't born with it <sup>Dbm</sup>  
 You can buy a couple ornaments <sup>B</sup>  
 Just be sure to read the warning, kids <sup>A</sup>  
 Cause pretty soon you'll be bored of it <sup>E</sup>  
<sup>Dbm</sup> Sexual, hey girl if you wanna feel sexual <sup>B</sup>  
 You can always call up a professional <sup>A</sup>  
 They stick pins in you like a vegetable <sup>E</sup>

<sup>Dbm</sup> Kids forever, kids forever  
<sup>B</sup> Baby soft skin turns into leather  
<sup>A</sup> Don't be dramatic it's only some plastic (stop)  
<sup>Dbm</sup> No one will love you if you're unattractive

<sup>Dbm</sup> Oh Mrs. Potato Head tell me,  
<sup>B</sup> is it true that pain is beauty?  
<sup>A</sup> Does a new face come with a warranty?  
<sup>E</sup> Will a pretty face make it better?  
<sup>Dbm</sup> Oh Mr. Potato Head tell me  
<sup>B</sup> How did you afford her surgery?  
<sup>A</sup> Do you swear you'll stay forever  
<sup>E</sup> Even if her face don't stay together  
<sup>Dbm</sup> Stay forever, stay forever  
<sup>B</sup> Even if her face don't stay together  
<sup>A</sup> Stay forever, stay forever  
<sup>E</sup> Even if her face don't stay together

<sup>Dbm</sup> Oh Mrs. Potato Head tell me,

<sup>Dbm</sup> Even if her face don't stay together  
<sup>A</sup> Even if her face don't stay together

If you want a little more confidence <sup>Dbm</sup>  
 Potatoes turn to french fries, yeah it's common sense <sup>B</sup>  
 All you need's a couple more condiments <sup>A</sup>  
 And a hundred thousand dollars for some compliments <sup>E</sup>  
<sup>Dbm</sup> It's such a waste  
 When little girls grow into their mothers face <sup>B</sup>  
 But little girls are learning how to cut and paste <sup>A</sup>

And pucker up their lips until they suffocate <sup>E</sup>  
<sup>Dbm</sup> Kids forever, kids forever  
<sup>B</sup> Baby soft skin turns into leather  
<sup>A</sup> Don't be dramatic it's only some plastic (stop)
