

# Melanie Martinez - Pacify Her

tom:

C

Dm Am Em F Dm Am F

Tired, blue boy walks my way

Holding a girls hand

That basic bitch leaves finally

Now I can take her man

Someone told me stay away from things that aren't yours  
But was it yours, if he wanted me so bad?

Pacify her  
She's getting on my nerves

You don't love her  
Stop lying with those words

Pacify her  
She's getting on my nerves

You don't love her  
Stop lying with those words

F Dm Am (2x)

I can't stand her whining

Where's her binky now?

And loving her seems tiring

So boy, just love me, down, down, down
