Verse

I'm gonna fight 'em off  
A seven nation army couldn't hold me back

They're gonna rip it off  
Taking their time right behind my back

And I'm talkin' to myself at night  
Because I can't forget

Back and forth through my mind  
Behind a cigarette

And the message comin' from my eyes says leave it alone...

Verse

Don't wanna hear about it  
Every single one's got a story to tell

Everyone knows about it  
From the Queen of England to the hounds of hell

And if I catch it comin' back my way  
I'm gonna serve it to you

And that ain't what you want to hear  
But that's what I'll do

And the feeling coming from my bones says find a home...

Verse

I'm going to Wichita  
Far from this opera forevermore

I'm gonna work the straw  
Make the sweat drip out of every pore

And I'm bleeding, and I'm bleeding, and I'm bleeding

Right before the lord

All the words are gonna bleed from me  
And I will think no more

And the stains comin' from my blood tell me "Go back home"...

Go back home
