

# Melanie Martinez - Strawberry Shortcake

Tom: B

Intro: Bm Em7 D Gb

[Primeira Parte]

Feeling unsure of my naked body  
 Stand back watch it taking shape  
 Wondering why I don't look like Barbie  
 They say boys like girls with a tiny waist  
 Now my momma's preaching to make sure I'm pure  
 But I never really cared about that shit before  
 Look around the room to whoever wants me

[Pré-Refrão]

The boys actin' like they ain't seen skin before  
 Got sent home to change 'cause my skirt is too short

[Refrão]

It's my fault, it's my fault  
 'Cause I put icing on top  
 Now, the boys want a taste of this strawberry shortcake  
 That's my bad, that's my bad  
 No one taught them not to grab  
 Now, the boys want a taste of this strawberry shortcake

[Segunda Parte]

Gotta make sure that my legs are shiny  
 Hot wax melting, burn my skin

People all around me watching closely  
 'Cause it's how I look and not what I think

[Pré-Refrão]

Mikey's eyes seem to be glued to her chest  
 So I'm stuffing my bra so that mine look the best

[Refrão]

It's my fault, it's my fault  
 'Cause I put icing on top  
 Now, the boys want a taste of this strawberry shortcake  
 That's my bad, that's my bad  
 No one taught them not to grab  
 Now, the boys want a taste of this strawberry shortcake

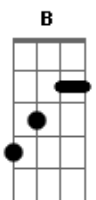

[Ponte]

Instead of making me feel bad for the body I got  
 Just teach him to keep it in his pants and tell him to stop

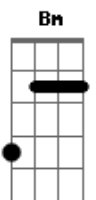

[Refrão]

Saying it's my fault, it's my fault  
 'Cause I put icing on top  
 Now, the boys want a taste of this strawberry shortcake  
 That's my bad, that's my bad  
 No one taught them not to grab  
 Now, the boys want a taste of this strawberry shortcake
