

Melina KB - I've Had Enough

tom:

G

Bbm

So you say you really miss me?

F

Well that makes me laugh

Gb

Cause you miss the way I let

You walk all over me

F

Broke every bone in my back

Bbm

So you wanna reminisce things?

F

Well don't come round here with that

Gb

If we review through your phony excuses

F

I bet it won't change the past

Gb

Closed for the weekend

Gb

Don't you apologize

F

I know you don't mean it

Gb F

I quit

Bbm

Here's to the no's

To the I think you should go

F

To the leave his ass alone

To the hanging up the phone's

Gb

To the no man can demand my body

F

My spirit, my love

Bbm

Here's to the no's

To the walk yourself on home

F

To the keeping on my clothes

To the highs without the lows

Gb

To the no man can demand my body

F

My spirit, my love

Bbm

I've had enough

Bbm

So you're claiming you're a martyr?

F

Like I don't have a clue

Gb

Too bad I'm smarter

Be discreet's a starter

F

I'm staring right at the proof

Gb

Closed for forever

Gb

I'm done with shutting up

F

I've learned a lot better

Gb F

Listen

Bbm

Here's to the no's

To the I think you should go

F

To the leave his ass alone

To the hanging up the phone's

Gb

To the no man can demand my body

F

My spirit, my love

Bbm

Here's to the no's

To the walk yourself on home

F

To the keeping on my clothes

To the highs without the lows

Gb

To the no man can demand my body

F

My spirit, my love, love, love

Bbm

F

If you're so mature now

Gb

Db

Then I think it's time you grow up

Db

Admit you did it

F

We all know you did it

Gb

F

And yet you still gaslight me up

Bbm

F

You are such a flame out

Gb

Db

Your only drive left's in the bed

Db

I don't deserve this

F

And for your next girlfriend

Gb

F

You need to treat her with respect

Bbm

Here's to my girls

Standing up for what they're worth

F

Yeah, you know who run the world

I am ready to be heard

Gb

No man can demand my body

F

My spirit, my love

Bbm

And for the boys

Who don't care who they destroy

F

Told us no was not a choice

You cannot silence our voice

Gb

No man can demand our bodies

F

Our spirits, our love

Bbm

We've had enough
