

Melissa Otto - Don't Give Up

Tom: Gb

Don't give up, the victory is sure enough

For angels fight beside the one

Who desires to overcome

The victory is sure

The battle is the Lords

It is OK

To struggle along the way

It is a war after all

On His good name just call

CORO:

On His good name just call

Don't give up, the victory is sure enough

For angels fight beside the one

Who desires to overcome

The victory is sure

The battle is the Lords

Interlúdio: Abm Ebm Gb Db

And that old foe

Might try to toss you to and fro

Don't be intimidated

He is already defeated
