

Melissa Otto - He Is Wonderful

Tom: F

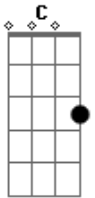

Knowing my heart's cry for freedom
 Longing to flood Your love into the pain of emptiness
 To open my eyes to unquenchable love
 That gave everything for my freedom
 Even my Saviour's blood
 He is wonderful
 No one is like Him
 His love unfathomable
 No love is like His
 You approached me with gentleness

Asking where are you?
 I was hiding for the shame of my nakedness
 Trying to cover myself in vain
 You came to me with your own white garment
 You came to me by Your sacrifice
 CORO
 I thought surely You'd be ashamed of me by now
 Surely You'd have given up on me by now
 But You were right here, You stayed right here
 Your love goes deeper than I ever knew
 From the dark depths of despair
 Love lifted me
