

Melissa Otto - Light As a Bird

Tom: C
Intro: C Am C Am

C
Light as a bird i could fly
That's the way i always feel
When your love melts away my fears
For i had been tired, troubled mind

Mistakes i wanted to hide
How could i be a light for you

Am F G Em7
Light as a bird for you have shown
All my weaknesses you've known
Am G C
Still you pick me up saying

Together we can do it keep running
And so the light i want to show
Em7 C (F)
Is how you have loved me perfect

For you have revived
Breathed new life
To the dreams you put inside
Dreams you wired
Deep inside my mind
For when i see you look at me
I remember who i was made to be
Fear and failure lose their power
For in your eyes i see that you're still proud
And so the light i want to show
C (F)
Is how you have loved me perfect.
