

Melissa Otto - Why Should I

Tom: G

I'm sorry,
 I let fear and doubt in
 As though I was an orphan,
 as though you didn't care
 As though I walked alone,
 as though no-one fights before me
 As though you didn't notice,
 as though I had no hope

Coro:

Why should I be afraid?
 Why should I be afraid?
 Why should I be afraid?

Because I have a Father

Who is with me all the way

Would You be close to me,
 and calm my anxious mind
 Remind me of your goodness,
 remove the dark thoughts that You find

Would You fill my empty spaces,
 and strengthen me with real hope

In Your love,

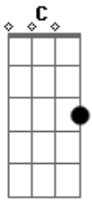

in all You've promised,
 in the place You're preparing for my home
