

Melody Gardot - If The Stars Were Mine

tom:
 D
 If the stars were mine
 I'd give them all to you
 I'd pluck them down right
 From the sky and leave it only blue
 I would never let the sun forget
 To shine upon your face
 So when others would have rain clouds
 You'd have only sunny days
 If the stars were mine
 I'd tell you what I'd do
 I'd put the stars right in a jar
 And give 'em all to you
 If the birds were mine
 I'd tell them when to sing
 I'd make them sing a sonnet
 When your telephone would ring
 I would put them there inside the square
 Whenever you went out
 So there'd always be sweet music
 Whenever you walk about
 If the birds were mine

Em
 I'd tell you what I'd do
 I'd teach the birds such lovely words
 And make 'em sing for you
 I'd teach the birds such lovely words
 And make 'em sing for you

 If the world was mine
 I'd paint it gold and green
 I'd make the oceans orange
 For a brilliant color scheme
 I would color all the mountains
 Make the sky forever blue
 So the world would be a painting
 And I'd live inside with you
 If the world was mine
 I'd tell you what I'd do
 I'd wrap the world in ribbons
 And then give it all to you
 I'd teach the birds such lovely words
 And make 'em sing for you
 I'd put those stars right in a jar and
 Give them all to you
