

# Men At Work - I Can See It In Your Eyes

Tom: C

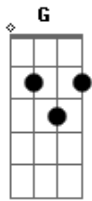

C G F  
 By your leave, I think that I'll be going now  
 C G F  
 I think I've stayed a little long  
 C G F  
 I looked up all my mother's recipes  
 C G F  
 I can't think what I did wrong  
 C G C G  
 We go to a restaurant, but you don't like wine  
 C G C G  
 You say it's love you want, but there is no time  
 F G F G  
 I realize, I can see it in your eyes  
 F G C  
 You keep staring at the floor  
 C G F  
 I used to look at your school photographs  
 C G F  
 But I don't have them anymore  
 C G F  
 I wonder who's in my old college rooms  
 C G F

Or stuck on my old locker door  
 C G C G  
 I dream of the ships at sea, on a stormy night  
 C G C G  
 I wish that it was me, but I wake in fright  
 F G F G  
 I realize, I can see it in your eyes  
 F G C  
 I've only got myself to blame  
 C G F  
 Winter kisses when your lips were blue  
 C G F  
 Like chasing wild geese in the snow  
 C G F  
 Pressing faces on the window panes  
 C G F  
 But that's a long long time ago  
 C G C G  
 We go to a restaurant  
 C G C G  
 You say it's love you want  
 F G F G  
 I realize, I can see it in your eyes  
 F G C  
 You're moving on to something more
