Men At Work - It's a Mistake

Tom: B
Intro: - Abm Gb

(Abm Gb)

Jump down the shelters to get away

The boys are cockin' up their guns

Tell us general, is it party time?

If it is can we all come

(E Gb)

Don't think that we don't know

Don't think that we're not trying

Don't think we move too slow

It's no use after crying

Saying

(Abm Gb Ebm Dbm)

It's a mistake, it's a mistake

It's a mistake, it's a mistake

(Abm Gb)

After the laughter as died away

And all the boys have had their fun

No surface noise now, not much to say

They've got the bad guys on the run

(E Gb)

Don't try to say you're sorry

Don't say he drew his gun

They've gone and grabbed old Ronnie

He's not the only one saying

(Abm Gb Ebm Dbm)

It's a mistake, it's a mistake

It's a mistake, it's a mistake

(Abm Gb)

Tell us commander, what do you think?

'Cos we know that you love all that power

Is it on then, are we on the brink?
We wish you'd all throw in the towel

(E Gb)

We'll not fade out too soon

Not in this finest hour

Whistle your favourite tune

We'll send a card and flower
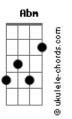

Saying

(Abm Gb Ebm Dbm)
It's a mistake, it's a mistake
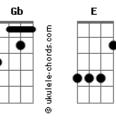

It's a mistake, it's a mistake

## Acordes
