[Primeira Parte]

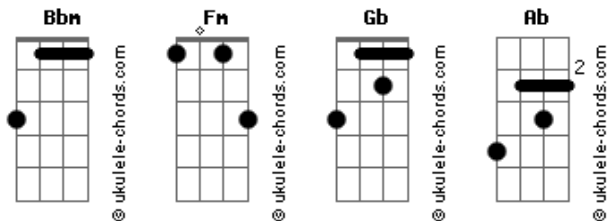

You wrap my feet in coloured blankets  
 So I stay here all night  
 You keep the one with many moons and stars  
 It's always for my shoulders

[Refrão]

So I stay here till waking hours  
 Tell me how do you make everything feel a little easier  
 So I stay here till waking hours  
 Who could ever be this good to me, just can't help but wonder

[Segunda Parte]

You put a shirt on the ceiling light  
 So the room won't be too bright  
 You give me time to be what I can be  
 You're never ahead, never behind me

[Refrão]

So I stay here till waking hours  
 Tell me how do you make everything feel a little easier  
 So I stay here till waking hours  
 Who could ever be this good to me, just can't help but wonder
