

Mente Duende - Viver Em Blue

Tom: A

m [Intro] Am Dm F Em Am

Am
Das pessoas que sorriram resta sempre o sorriso

É melhor assim

Se flores te fazem sorrir

Viver de flores você pode

(Am Dm F Em Am)

Am

Dormir de dia , dormir de dia

Foi melhor assim

O Céu torna tudo tão azul

Viver em Blue você pode

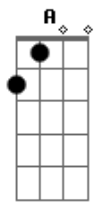

(Am Dm F Em Am)

O tempo é a raiz do problema

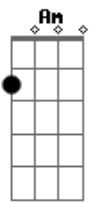

Se colher flores para a moça é a sua vida

Você é a raiz da solução
