

Meraluz - Marinha

tom:

Intro: Am E7 Am

Eu beijo a tua língua insípida

Eu molho a tua pele clara

Como se fosses vida

Como se fosses rara

E sempre assim desde o início

Por todo o mal que me causarás

És muito mais que meu vício

És ferida minha que não sara

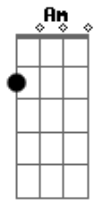

É ver abrir-se um precipício

Onde meu ser deságua

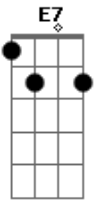

És rainha no meu solistício

És marinha no meu copo d'água
