

# Meramolim - Gata Sorrateira

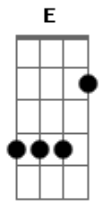

Tom: E

m

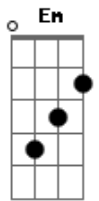

Reguei, reguei, reguei  
 Reguei o teu amor  
 Cheguei, cheguei, cheguei  
 Cheguei ao desatino  
 E fui parar no teu destino  
 Entrei, entrei, entrei  
 Pelos laços de ?tá?só  
 Peguei a solidão e dei um nó  
 Fiz de ti o meu xodó  
 Um xodó de gata sorrateira

Uma gata da ribeira  
 Que me toma de assalto  
 Coração pula ?pro?alto  
 Num bate, bate  
 De zabumba lá na barra  
 Quando estou  
 Gata em tuas garras  
 Quando estou  
 Amor em tuas garras  
 Quando estou  
 Gata em tuas garras
