

# Mercedes Sosa - Arenosa

tom:

Am

Arenosa, areno sita  
 Mi tierra cafayateña  
 [El que bebe de su vino  
 Gana sueño y pierde pena

El agua de calchaqui  
 Padre de todas las siembras  
 Cuando uno se va y no vuelve  
 Canta llorando y se aleja

[Refrão]

Arena, arenita  
 Arena, tapa mi huella  
 [Para que en las vendimias

Mi vida yo vuelva a verla

Luna de los medanales  
 Lunita cafayateña  
 Luna de arena morena  
 En carnavales de ausencia

Deja que beba en tu vino  
 A savia cafayateña  
 Y que me pierda en la cueca  
 Cantando antes que me muera

[Refrão]

Arena, arenita  
 Arena, tapa mi huella  
 Para que en las vendimias  
 Mi vida yo vuelva a verla]
