

# Mercy Bell - All Good Cowboys

tom:

Intro: C Am F C G

C Am Take it down, put it in a jar with butterflies

F Fill it up with some formaldehyde

C G You won't see it again

C You said take it slow, it's a mood and it

Am Will come and go

F But the joints I needed didn't grow

C G And left me crippled in your eyes

F C Oh and all good cowboys know

Am G There ain't no good ol' home sweet home

F C So I'll raise my protest, raise my drink

Am G And I won't live here no more

F C Cuz you never learned my name

Am G It was the one name you should know

F C And I will lay me down

F C And I will lay me down

F C G I will lay me down, the road

C Am A dollar in another jukebox just to dance with you

F Oh but all it does is play the blues

C G And on and on they go

C No and I won't be, another mess to clean in

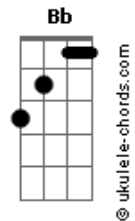

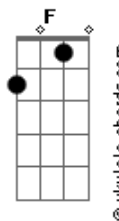

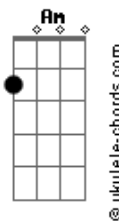

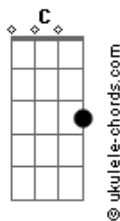

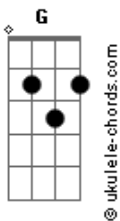

Am Aisle three

This late night shift has got me

F Questioning

C G If daylight will come at all
