I can only imagine <sup>E Em</sup>  
 What it will be like <sup>A2</sup>  
 When I walk by Your side  
 I can only imagine <sup>E Em</sup>  
 What my eyes will see <sup>A2</sup>  
 When your face is before me <sup>E Em</sup>  
 I can only imagine <sup>A2</sup>  
 I can only imagine  
 A2  
 Surrounded by Your glory <sup>B</sup>  
 What will my heart feel <sup>E</sup>  
 Will I dance for You Jesus <sup>E</sup>  
 Or in awe of You be still <sup>A2</sup>  
 Will I stand in Your presence <sup>B</sup>  
 To my knees will I fall <sup>E</sup>

Will I sing Hallelujah  
 Will I be able to speak at all <sup>E</sup>  
 I can only imagine <sup>A2 B</sup>  
 I can only imagine <sup>E</sup>  
 I can only imagine <sup>E Em</sup>  
 When that day comes <sup>A2</sup>  
 And I find myself standing in the Son  
 I can only imagine <sup>E Em</sup>  
 When all I will do <sup>A2</sup>  
 Is forever, forever worship You <sup>E Em</sup>  
 I can only imagine <sup>A2</sup>  
 I can only imagine <sup>A2 B</sup>  
 I can only imagine <sup>Dbm</sup>  
 I can only imagine <sup>A2</sup>  
 I can only imagine <sup>B</sup>  
 When all I will do <sup>Dbm</sup>  
 Is forever, forever worship you <sup>E</sup>  
 I can only imagine <sup>A2 B</sup>  
 I can only imagine <sup>E</sup>  
 I can only imagine
