Nunca pensei que eu fosse ter um grande amor

Alguém que eu me importasse

Me tornasse inseparável, tão amável

Brilha como o sol de uma manhã

Aí você apareceu

Pra me fazer sentir feliz sorrindo pleno, intenso

Querendo viver cada momento, espaço, tempo, eternidade

Ao teu lado na alegria

Na tristeza e na dor

Eu e você andando juntos lado a lado

Não tem tempo ruim

Pois sobra tempo hábil

Pra amar, amar, amar

Nós somos feitos de amor

Inseparáveis como o céu, o mar e a lua

Me entreguei de mala e cuia

Pois tenho certeza que pra mim só existe você

É só você

Eu e você somos um só

Brincando, beijando, se amando

Sentindo prazer

Eu e você somos um só

Sorrindo, chorando

Cantando no amanhecer

Eu e você somos um só

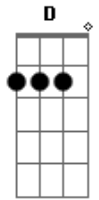

Dormindo abraçados

Jogados num mar de querer

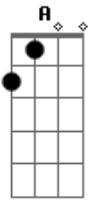

Eu e você somos um só

Fazendo acontecer
