

Mestrinho - Te Faço Um Cafuné

Tom: C

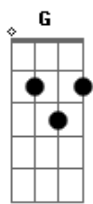

Se eu soubesse que tu me querias
 Tudo faria para te amar
 Amor, eu tenho para te dar
 Quando passo e vejo ela debruçada na janela
 Dá vontade de passar a mão... nos cabelos dela
 Já não consigo nem dormir
 Se me deito com ela vou sonhar

Em Dm A7 Dm
 Lai Ê, Oh la iá...
 Pois faria tudo isso só pra te amar
 Te faço um cafuné quando tu for dormir
 Te dou café quando se levantar
 Dou comida na boca
 Mato a tua sede
 Armo a minha rede
 E vou te balançar
