Metallica - Astronomy

Tom: G	One door left to take you in, the other one just mirrors it
Em, D, C, B, <mark>G</mark>	
Em D C B Em	
Clock strikes 12 and moondrops burst, out at you from their	E C D E
hiding place.	Hellish glare and inference, the other ones a duplicate
Em D C B Em	E C D E
Like acid and oil on a madmans face, his reasons tend to fly	The queenly flux, eternal light, yeah the light that never
away	warms
C B C	E C D E E C
G	D C
	in Yes the light, that never, never warms. yes the light that
may	never, never
C B C B Em	D D C D D C D
Now the sands become a crust, and most of you have gone away	warms, never warms, never warms
Come Suzie dear lets take a walk, just out there upon the beach	(nessa parte são as mesmas notas da primeira parte)
	Clock strikes 12 and moondrops burst, out at you from their
I know you'll soon be married, and you'll want to know where	
winds come from	Miss Carrie Nurse and Suzie dear, would find themselves at the
	4 winds bar
Well its never said at all, on the map that Carrie reads	Its the nexus, of the crisis, and the origin of storms
	Just the place to hopelessly, encounter time and then came me
Behind the clock back there you know, at the 4 winds bar	
	(back to distortion)
(toca essas notas em pestana com distorção)	E C D E E C D E
	HEY HEY HEY HEY (play that behind the solo)
E C D E E C D E	
HEY HEY HEY HEY	E C D E
	Call me desdinova, eternal light
E C D E	E C D E
The four winds at the 4 winds bar, 2 doors locked and window	s These gravely digs of mine, will surely prove a sight
barred	E C D E
E C D E	And dont forget my dog, fixed and consequent
Acordes
