<sup>Em</sup>  
 Make his fight on the hill

In the early day

<sup>G</sup>  
 Constant chill deep inside

<sup>Em</sup>  
 Shouting gun, on they

Run through the endless grey

<sup>G</sup>  
 On they fight

For they're right, yes <sup>C</sup>

But who's to say? <sup>A</sup>

<sup>Em</sup>  
 For a hill, men would kill, why?

They do not know

<sup>G</sup>  
 Stiffened wounds test their pride

<sup>Em</sup>  
 Men of five, still alive  
 Through the raging glow

<sup>G</sup>  
 Gone insane from the pain <sup>C</sup>

That they surely know <sup>A</sup>

<sup>Em</sup>  
 Take a look to the sky

Just before you die

<sup>G</sup>  
 It is the last time you will

<sup>Em</sup>  
 Blackened roar, massive roar

Fills the crumbling sky

<sup>G</sup>  
 Shattered goal fills his

<sup>C</sup> <sup>A</sup>  
 Soul with a ruthless cry

<sup>Em</sup>  
 Stranger now, are his eyes

To this mystery

<sup>G</sup>  
 He hears the silence so loud

<sup>Em</sup>  
 Crack of dawn, all is gone

Except the will to be

<sup>G</sup>  
 Now they see

<sup>C</sup> <sup>A</sup>  
 What will be, blinded eyes to see
