

Metallica - Nothing Else Matters

Tom: G

So close no matter how far
 Couldn't be much more from the heart
 Forever trusting who we are
 And nothing else matters

Never opened myself this way
 Life is ours, we live it our way
 All these words I don't just say
 And nothing else matters

Trust I seek and I find in you
 Every day for us something new
 Open mind for a different view
 And nothing else matters

[Refrão]

Never cared for what they do
 Never cared for what they know
 But I know

So close no matter how far
 Couldn't be much more from the heart

Forever trusting who we are
 And nothing else matters
 Never opened myself this way
 Life is ours, we live it our way
 All these words I don't just say
 And nothing else matters

Trust I seek and I find in you
 Every day for us something new
 Open mind for a different view
 And nothing else matters

(Refrão Pré 2)

Never cared for what they say
 Never cared for what they play
 Never cared for what they do
 Never cared for what they know
 But I know

[Refrão - Final]

Never cared for what they do
 Never cared for what they know
 But I know
