Born to push you around
Better just stay down.
You pull away
He hits the flesh
You hit the ground.

Mouth so full of lies
Tend to block your eyes.
Just keep them closed
Keep praying
Just keep waiting

Refrão 1:

Waiting for the one
The day that never comes
When you stand up and feel the warmth
But the sunshine never comes.

I'll end this day.
I'll splatter color on this gray.
