When I find myself in times of trouble

Hybrid children come to me

Pray for father roaming, roaming free
 And in my hour of darkness
 It is standing right in front of me
 He is the thing that should not let it be
 Let it be, let it be
 Hybrid children watch the sea
 He is the thing that should not let it be
 Crawling chaos underground people
 Living in the world agree
 The wretch is fearless with insanity
 And though he has been sleeping
 There is still a chance that he will see
 That this thing should not let it be
 Let it be, let it be
 Hybrid children watch the sea
 He is the thing that should not let it be
 Not dead which eternal lie
 With stranger eons death may die
 These are words of wisdom let it be
 I wake up to the sound of music(metallica
 Let the metal come to me
 Death to the one that will not let it be
 Let it be, let it be
 Hybrid children watch the sea
 He is the thing that should not let it be
