When I find myself in times of trouble

Hybrid children come to me

Pray for father roaming, roaming free  
 And in my hour of darkness  
 It is standing right in front of me  
 He is the thing that should not let it be  
 Let it be, let it be  
 Hybrid children watch the sea  
 He is the thing that should not let it be  
 Crawling chaos underground people  
 Living in the world agree  
 The wretch is fearless with insanity  
 And though he has been sleeping  
 There is still a chance that he will see  
 That this thing should not let it be  
 Let it be, let it be  
 Hybrid children watch the sea  
 He is the thing that should not let it be  
 Not dead which eternal lie  
 With stranger eons death may die  
 These are words of wisdom let it be  
 I wake up to the sound of music(metallica  
 Let the metal come to me  
 Death to the one that will not let it be  
 Let it be, let it be  
 Hybrid children watch the sea  
 He is the thing that should not let it be
