Metallica - Turn the Page

Tom: E Intro:		outro:
verse:		
	chorus:	On a long and lonesome highway east of omaha You can listen to the engines moaning out as one note song You think about the woman or the girl you knew the night before
		But your thoughts will soon be wandering the way they always do When you're riding sixteen hours and there's nothing much to do And you don't feel much like riding, you just wish the trip was through
verse:		Here I am - on the road again There I am - up on the stage Here I go - playing star again There I go - turn the page
chorus:		So you walk into this restaurant strung out from the road And you feel the eyes upon you, as you're shaking off the cold You pretend it doesn't bother you, but you just want to explode
		Yeah, most times you can't hear 'em talk, other times you can All the same old clichés, "is it woman? is it man?" And you always seem outnumbered, you don't dare make a stand Make your stand
		Here I am - on the road again There I am - up on the stage Here I go - playing star again There I go - turn the page
wait:		Oo-ooh, out there in the spotlight, you're a million miles away Every ounce of energy you try to give away As the sweat pours out your body like the music that you play, yeah
staaaaart:		Later in the evening, you lie awake in bed With the echoes of the amplifiers ringing in your head You smoke the day's last cigarette, remembering what she said What she said
		He-ey
guitar solo:	just flow:	Yeah And here I am - on the road again There I am - up on a stage Here I go - playing star again There I go - turn the page There I go - turn that page There I go, yeah, yeah There I go, yeah, yeah There I go, yeah There I go, yeah There I go, oc-oo-ooh There I go
		And I'm gone
