

Metric - Black Sheep

tom:

E

Intro:

(continue repetindo!)

Hello again, friend of a friend, I knew you when
Our common goal was waiting for the world to end

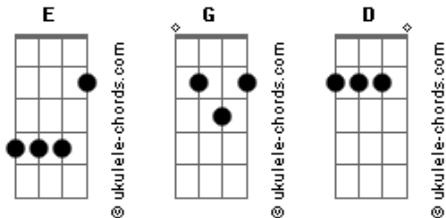

Now that the truth is just a rule that you can bend
You crack the whip, shapeshifting trick, the past again

Refrão:

(apenas estas duas notas ao longo do tempo)

i'll send you my love on a wire
Lift you up, everytime, everyone, ooo, pulls away, ooo
From you

Acordes

Fim do refrão:

?You oooo?

Toque a Intro com um adicional e coloque um slide no fim:

2 verso-

Got balls of steel, got an automobile, for a minimum wage
Got real estate, I'm buying it all up in outerspace
Now that the truth is just a rule that you can bend
You crack the whip, shapeshifting trick, the past again

(Sem guitarra, apenas o baixo nas primeiras duas linhas antes do acorde de G - sintá-se livre para substituir com algumas palmas :D)

Refrão - o mesmo

Solo do final:
