

# MGMT - 4th Dimensional Transition

Tom: C

E  
I feel your racing heart  
E  
My liquid silver arms extended  
E  
These waves aren't far apart  
E  
Black gold in clawfoot tubs unchanging  
A Am E  
I am fire, where's my form?  
A Am B  
Whisper crimson I intrude  
Dm A  
There's light beneath your eyes  
Dm B  
New overtones in view  
A E  
Endless form, endless time

(little different for the next verse)

E  
If what they say is true  
E  
You are a shadow in the fourth dimension  
E  
To float away with you  
E  
We see the corners where nothing happens  
A Am E  
While we drifted we were one  
A Am E

Ceilings lifted walls were gone

E D G2  
You speak the language of the breeze  
G  
All your leaves were meant for me  
F Gb E  
The love that every person wants to be  
(instrumental verse part)

Dm C  
Stuck together, I don't like revealing secrets  
F G  
I'll live inside your lips if you won't laugh  
A  
My heaving hands on rotten fruit at last  
Dm C  
Follow fingers, there's a surface I can count on  
F G  
She'd fit inside my heart and take it over  
A  
Till her cape got blown into my red lungs  
Dm  
Either there's a purpose  
C  
Or I'm heading out at breakfast  
F  
Take a drink, take a drag  
G  
One more coffee, ugly hat  
G  
No more mirrors, woolen bag  
D  
And I am gone
