

MGMT - Hot Love Drama

Tom: F

F
 All of these voices
 Bb
 on my TV
 F C
 they got nothing to say
 F
 We are all are people,
 Bb
 some of us free,
 F C
 some of us got it made.

What's the connection
 some of us seek?
 Some of us fall in love.
 But when I need it
 you bring me things,
 always knew that you were

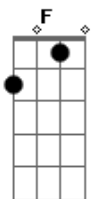

F Bb
 hot love drama, it rips you apart
 F Bb
 cool down love, too hot from the start
 F Bb
 hot love drama, it rips you apart
 F Bb
 cool down love, too hot from the start
 F C B
 too hot from the start.

When I was younger
 life was all magic,
 everything fell in place.
 But I still worry,
 worry for hours,
 imagining the life we're in
 when I'm asleep.
 But you came and you saw
 and you spoke and I conquered most fears
 but not all
 and you stop but i falter
 i love her i don't
 and you think that I'm foolish
 Stop the kids stop the love
 That leads to

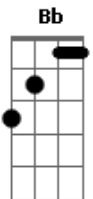

Hot love drama, it rips you apart
 cool down love, too hot from the start
 hot love drama, it rips you apart
 cool down love, too hot from the start
 too hot from the start.
 too hot from the start.
 too hot from the start.

hot love drama,it rips you apart
 cool down love,to hot from the start
 hot love drama,it rips you apart
 cool down love,to hot from the start
 too hot from the start.
 too hot from the start.
 ohhh
