Tom: F

F  
 All of these voices  
 Bb  
 on my TV  
 F C  
 they got nothing to say  
 F  
 We are all are people,  
 Bb  
 some of us free,  
 F C  
 some of us got it made.

What's the connection  
 some of us seek?  
 Some of us fall in love.  
 But when I need it  
 you bring me things,  
 always knew that you were

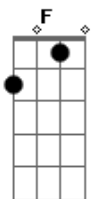

F Bb  
 hot love drama, it rips you apart  
 F Bb  
 cool down love, too hot from the start  
 F Bb  
 hot love drama, it rips you apart  
 F Bb  
 cool down love, too hot from the start  
 F C B  
 too hot from the start.

When I was younger  
 life was all magic,  
 everything fell in place.  
 But I still worry,  
 worry for hours,  
 imagining the life we're in  
 when I'm asleep.  
 But you came and you saw  
 and you spoke and I conquered most fears  
 but not all  
 and you stop but i falter  
 i love her i don't  
 and you think that I'm foolish  
 Stop the kids stop the love  
 That leads to

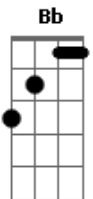

Hot love drama, it rips you apart  
 cool down love, too hot from the start  
 hot love drama, it rips you apart  
 cool down love, too hot from the start  
 too hot from the start.  
 too hot from the start.  
 too hot from the start.

hot love drama,it rips you apart  
 cool down love,to hot from the start  
 hot love drama,it rips you apart  
 cool down love,to hot from the start  
 too hot from the start.  
 too hot from the start.  
 ohhh
