

MGMT - Little Dark Age

```
tom:
                          D7
Breathing in the dark, lying on its side
             D7
The ruins of the day painted with a scar
                     D7
And the more I straighten out
                Gm
The less it wants to try
The feelings start to rot, one wink at a time, oh
[Refrão 1]
Cm Dm
                  Bb
                          Eb
                                     Dm
 Forgiving who you are for what you stand to gain
                   Bb
                          Eb Dm Cm
Just know that if you hide, it doesn't go away
                  Bb
                          Eb Cm
When you get out of bed don't end up stranded
Horrified with each stone
  On the stage my little dark age
( Gm )
```

```
D7
Picking through the cards, knowing what's nearby
                 D7
The carvings on the face say they find it hard
                       D7
And the engine's failed again
            Gm
All limits of disguise
                  D7
The humor's not the same coming from denial, oh
[Refrão 2]
    Dm

  I grieve in stereo, the stereo sounds strange
                Bb Eb Dm Cm
I know that if you hide, it doesn't go away
                  Bb
                           Eb Cm
If you get out of bed and find me standing
All alone, open-eyed

Burn the page my little dark age
