

Michael Bolton - I Said I Loved You...But I Lied

tom:
 You are the candle, love is the flame
 a fire that burns through wind and rain
 Shine your light on this heart of mine
 Till the end of time
 You came to me like the dawn through the night
 Just shining like the sun
 Out of my dreams and into my life
 You are the one, you are the one
 Said I loved you but I lied
 Cause this is more than love I feel inside
 Said I loved you but I was wrong
 Cause love could never ever feel so strong
 Said I loved you ... but I lied
 With all my soul I've tried in vain
 How can mere words my heart explain
 This taste of heaven so deep so true
