[Primeira Parte]

D
A I just met you
A Seems like yesterday
Bm7 You opened up your eyes and I recognized your face
D You know that you're the one that we've been waiting for
G We're gonna keep you safe
Em7 First time I held you in my arms
A I knew I'd love you all the way

[Pré-Refrão]

D
A I took you in at night
A Another day has passed
Bm7 G Every week goes by a little faster than the last
D It wasn't so long ago
D Bm We walked together and you held my hand
Em7 And now you're getting too big to want to
A But I hope you'll always understand

[Refrão]

G A D D That I'm always gonna lift you up
G A D D And I'm never gonna let you down
G A No matter what you do
Bm7 Bm7 I'm forever proud of you
G A D I love you forever now

[Pré-Refrão]]

D
A Through your ears I hear it
A Through your eyes I see
Bm7 G A world full of magic, full of possibilities
D D Bm You know as well as anybody how tough this life can be
Em7 But you've got so much strength inside you
A A strength I pray you'll never need

[Refrão]

G A D D And I'm always gonna lift you up
G A D D And I'm never gonna let you down
