Michael Bublé - The Way You Look Tonight

Tom: D

```
   D      Bm    Em7              A7
Some day, when I'm awfully low,
Gbm                 Bm7
When the world is cold,
G       G     Em         A7       D   Bm7
I will feel a glow just thinking of you...
Em7      G      A7       D      Bb    Em7     A7
And the way you look tonight.
A7     D    Bm   Em7                 A7
You're lovely, with your smile so warm
Gbm                 Bm7
And your cheeks so soft,
 G        G     Em      A7      D     Bm7
There is nothing for me but to love you,
Em7      G       A7       D     Gdim    D
And the way you look tonight.
Bridge:
Dm7        D         Em7          A7
With each word your tenderness grows,
Dm7         D      G     -    A7
Tearing my fear apart;
Dm7        D         Em7             A7
And that laugh that wrinkles your nose,
Bm          Bm7       Gb7
Touches my foolish heart.
A7     D    Bm     Em7              A7
You're lovely -- never,  never change.
Gbm                    Bm7
Keep that breathless charm.
 G          G      Em         A7       D      Bm7
Won't you please arrange it? 'Cause I love you
Em7       G      A7        D      Bb    Em7
Just the way you look tonight.
Coda:
    Edim    Gdim     D     Bb    Em7    Edim     D
The way you look tonight.
